Elegance and toughness combine into one beautiful shingle when you select **Stratford** as your roofing choice. This heavyweight designer shingle will keep your home looking elegant, no matter the weather conditions. The mighty wind, relentless rains, and unforgiving sun are simply no match for a roof covered in **Stratford** high-performance shingles.

Stratford is one of the few shingle choices that provide an 80 mph wind warranty, and has passed testing in 110 mph wind and 120 wind driven rain conditions. Algae resistant and extreme weather tough, this durable architectural designer shingle also boasts a 30 year limited transferable warranty.

If you are looking for peace of mind, an architectural look, and the most affordable price, **Stratford** is your obvious choice. It's almost like having a security system for your roof.
